July 2026 NEWSLETTER

**SO THANKFUL FOR 250 YEARS
OF THIS GREAT NATION—
GOD HAS TRULY BLESSED US
AND WE LOVE THIS COUNTRY**

We have many parts in one body, but the parts don't have all the same function. In the same way, though there are many of us, we are one body in Christ, and individually we belong to each other.

Romans 12:5

Dear Pinnacle Family,

We need each other within the body of Christ. Every time we have something personal going on, it's nice to be able to talk to a fellow believer about it. There is a song from years ago that says "He's all I need". While we need to rely fully on God, it's amazing when our friends, families, brothers and sisters in Christ are there for us. In this week of camp, we are talking about the hope in our church community, and how we are one body and that we need each other so if you see somebody you need this week, pray for them, give them the opportunity to speak to you and just love on them. Thank you for your continuous support as we teach our campers how great and awesome our God is.

GOD BLESS THE USA

Over these past three weeks at Summer Camp 2026, we're building a foundation of trust and hope in God's promises.

Week one grounds us in Romans 12:12, reminding us that God's hope never fades, no matter what we're facing – it's steady even when our circumstances aren't.

Week two turns to Hebrews 4:12, showing us that God's Word isn't just words on a page; it's alive and active, capable of speaking directly into our lives today.

Week three brings us to Proverbs 3:5-6, challenging us to hand over our worries, decisions, and dreams to God and trust that He'll lead the way, even when we can't see the full path ahead. Together, these passages invite us to rest in God's unfailing hope, lean on His living Word, and surrender control, trusting Him to guide every step.
